	The scholarship sanctioned to Mr. Vasudevarao was subject to his serving the State for 5 years, and without insisting on the scholar entering the State service at once, the Offg Senior Surgeon seems to have permitted him to stop in Madras till April next No reason has been assigned as to the authority under which he did so He might as well have been asked to enter the State service at once

Sir,

I have the honor to state that there are now two ~~temporar~~ temporary vacancies in the cadre of Medical Graduates in the places of Messrs. K.M.Huli Rao and L. V. Phadke, who are acting as Assistant Surgeons in the temporary vacancies in that grade due to the deputation of Messrs. C.Krishnaswami Rao and T.Seshachalam to England.

One Mr. S.Vasudeva Rao, who was granted a scholarship in G.O.No.4651-3-Edn.11-19-11, dated 3rd December 1919. failed in the final M.B,B.S, examination in April 1923. His scholarship was extended till the end of September 1923, in G.O.No.L.8140-41-Med.126-22-9, dated 20th June 1923, to enable him to appear again for the Examination in October 1923, which he did, but failed to secure a qualification for the M.B.,B.S. He was declared qualified for the lower L.M.S.Degree, but instead of applying for service, he secured a House Surgeoncy in the Madras Maternity Hospital, that he might appear in Midwifery again in April next and secure the higher degree. He also applied further for continuance of his scholarship till April next. But this was refused by Dr.Usmon who, however, permitted him to try another chance of securing the higher qualification for which he had originally been granted the scholarship. No other qualified State Scholar is available for employment just now and the need for hands is felt,, particularly in making acting arrangements when Assistant Surgeons or Medical Graduates apply for leave.

Under the circumstances I beg to recommend the entertainment of one Mr.B.L.D'Costa, L.M.S.(Madras) as a temporary medical Graduate to fill up one of the vacancies. Mr.D'Costa happens to be the son of one Mr.J.F.D'Costa who served as an Excise Inspector in the Mysore service for about 26 years and was retired some time ago. The family appears to be in very poor circumstances and to be now depending entirely in the hope of this young man securing an appointment under Government. He is 30 years of age, which is two years over the age limit prescribed for Medical Graduates by the Service Regulations. As the appointment is, for the present, only temporary, I recommend the same for the very early sanction of Government.
